

# CASPER'S DOG POO PATROL

347 W. Jefferson St. • Arcola, IL 61910

Residential: We base our prices on the amount of dogs you have and the size of your property. The **average size property is ½ acre or less**. The following prices will be based on that size. If yours is larger it will be more.

			Per Month	\$ _____
2 x wk	\$ _____	\$ _____	Per Week	\$ _____

Your first service may include a surcharge based on how long it has been since your area was last cleaned. This will be discussed at our first meeting and agreed upon before starting.

One time clean up of your area will be \$ \_\_\_\_\_.  
Spring clean up of your area, with following scheduled service \_\_\_\_\_.

**Additional services:**

Odor Neutralizing Services: \$ \_\_\_\_\_. Not to exceed 550 sq. ft.  
Larger area; goes by size: \$ \_\_\_\_\_.

If you would also like your front yard cleaned of dog waste, it will be an extra \$5.00 per visit, depending on size of yard.

We can only remove the dog poo that we can see. We are not responsible for any that can not be seen because of yard debris, leaves, or long grass that makes it almost impossible to remove. (This type of yard would not be included in the 100% guarantee)

We do not provide service in snow storms, or lightening storms. If / when this would happen we will reduce your fee to ½ of the missed visit on your next service. (Our rationale is that your dog will still be going, and there will be even that much more poo when we come to clean it next time.)

Our goal is to continue service throughout the entire year. The faster it is picked up, the healthier your yard will be in the spring.

**Method of Payment:**

Cash or Check at the time of Service. You may also pay monthly in advance.  
If you were to cancel service for any reason, your balance would be refunded. If you need / want to skip / cancel a schedule service, please call us a minimum of 48 hours with your information including name, phone number, address and dates of service.
