Damage Wavier Of Any Responsibility  
To Gardens or Flower Beds

We are not Landscapers or Gardeners of any kind. We do not recognize flowers from weeds, even if they cost \$1000.00 each. We do understand that Dogs do like to use flower beds, gardens as their own personal potty box, but we do not like to clean them out for fear of doing damage to the flowers, or anything in the flower boxes while we look for poo. Therefore, if you are willing to sign THIS wavier, stating that you do not hold us responsible in ANY way, for ANY damage, to ANYTHING in your flower beds / gardens, for an extra cost, we will search out the dogs poo.

We will always do our very best to be as careful as possible to not disturb or damage any flowers or plants, or decorations that are in the gardens.

I will not hold Casper's Dog Poo Patrol responsible for any damages to my Flowers, Garden or decorations in my Gardens while they were cleaning out the Dog Poo.
